

FAMILY SUPPORT AND ADVOCACY CENTER

*Support for former foster youth who are now
parents in LA County*

Were you **previously** a part of the foster care/child
welfare system?

If yes, we are here for you!

The Family Support and Advocacy Center (FSAC) is a project of Children's Law Center of California (CLC) providing early intervention and legal advocacy to former foster youth with closed dependency cases who are now parenting children of their own. We are here to help you succeed!
